

**COULOMETRY - Food and Beverage**

---

- 142 *Measurement of Vitamins and Endogenous Antioxydants in Food and Other Biological Matrices*, E. Ryan, I. Acworth and P. Gamache, presented at the 1994 Pittsburg Conference, Chicago.  
Oui
- 178 *Pulsed Amperometric Detection Sugars Using a New Multi-Mode HPLC Electrochemical Detector*, G. Melzi d'Eril, G. Achilli and G.P. Cellerino, *Chromatography and Analysis*, 5, October 1992.  
Oui
- 185 *Analysis of orange juice concentrates on the Coulochem Electrode Array System -CEAS -G.Achilli*, G.P.Cellerino(1994)  
Oui
- 193 *The Use Of Quantitative Microdialysis To Study The Dynamics Of Glucose, Lactate And Ascorbate In Rat Brain*, M. Fillenz, M.G. Boutelle, L. Fellows, A. Fray and M. Miele, 6th Int. Conf. on In Vivo Methods, Seignosses, 1994  
Non
- 275 *Pulsed Amperometric Detection Of Aliphatic Alcohols In Liquid Chromatography*, W. La Course and D. Johnson, *Anal. Chem.*, 63, 134-139.  
Oui
- 276 *Pulsed Electrochemical Detection At Noble Metal Electrodes In High Performance Liquid Chromatography*, W. La Course, *Analisis*, 21, 181-195 ( 1993 ).  
Oui
- 327 *Sulfamidics In Chicken And Rabbit Meet- G. Achilli- Preliminar Data*, May 1995.  
Oui
- 328 *Antibiotics In Animal's Feed- G.Acchili- Preliminar data*, May 1995.  
Oui
- 331 *Review And State Of Sugar Analysis By High Performance Liquid Chromatography- B. Herbreteau- Analysis (1992) 20, 355-374.*  
Oui
- 517 *Direct Analysis Of Vitamin A In Serum By On-Line SPE-HPLC - H. Kerkdijk, O. Halmingh - Spark Holland BV, The Netherlands.*  
Oui
- 527 *Determination of ascorbic acid and in its mixtures with thiols be reversed phase HPLC with electrochimal detection using a DC-TAST Polarograph - D. Sybilska, K. Duszczczyk and M. Przasnyski - J. of Chrom., 298 (1984) 352-355.*  
Oui
- 528 *Determination of Dehydroascorbic Acid using HPLC with Coulometric Electrochemical detection - K.Dhariwal, P. Washko and M. Levine - Analytical Biochemistry 189, 18-23 (1990)*  
Oui
- 530 *Determination of Ascorbic acid in elemental diet by HPLC with electrochemical detection. H. Iwase - J. of Chromatogr. 606 (1992) 277-280*  
Oui
- 561 *Détermination des Thiols, Performance et Efficacité de la Barette d'Electrodes - INRA de Nantes - Xavier Allain, Laurent Martinez - 11 pages, octobre 1996.*  
Oui
- 579 *Determination of Sugars in Unconcentrated Seawater and other Natural Waters by Liquid Chromatography and pulsed Amperometric Detection - Kenet Mopper - Environ. Sci. Technol., Vol.26, n°1 (1992), 133-137.*  
Oui

**COULOMETRY - Food and Beverage**

---

- 699 *Vitamin Determination Using High-Performance Liquid Chromatography with Internal Standard-Redox Mode Electrochemical Detection and its Application to Medical Nutritional Products.*  
Non *H.HASEGAWA. J.Chromatograph.605, (1992) 215-220. ABSTRACT*
- 729 *Automated Determination of Vitamin A and E in Serum by One-line SPE-HPLC.* by O Halmingh,  
Oui *H.Kerkdijk, GJM. van Gils. SPARK Holland (March 1997)*
- 1093 *Carotenoid Determination in Biological Microsamples Using Liquid Chromatography with a Coulometric Electrochemical Array Detector,* M. FERRUZZI, L.C. SANDER, C.L. ROCK and S.J. SCWARTZ, *Analytical Biochemistry* 256( 1998), PP. 74-81.
- 1096 *Simultaneous Determination of Homologues of Vitamin E & Coenzyme Q & Products of  $\alpha$ -Tocopherol Oxidation-* C. Leray, M.D. Andriamampandry, M. Freund, C. Gachet & JP. Cazenave-  
Oui *Journal of Lipid Research Vol.39(1998)*
- 1098 *Sensitive & Selective Analysis of Isomeric Forms of Carotenoids Using a C30 Stationary Phase & Coulometric Array Detection-* P.H. GAMACHE, M.G. FERRUZZI, M.L. NGUYEN & S.J. SCHWARTZ, *Applications Department, ESA, Inc. And Department of Food Science & Techno*
- 1099 *Analysis of Antioxidants & Vitamins Using HPLC with Coulometric Array Electrochemical Detection-*  
Oui *Paul G. GAMACHE & Ian N. ACWORTH, Applications Department, ESA, Inc.*
- 1100 *HPLC Coulometric Array Analysis of 25-Hydroxyvitamin D3 in Plasma-* Paul H. GAMACHE & Ian N.  
Oui *ACWORTH, Applications Department, ESA, Inc.*
- 1101 *Simultaneous Analysis of Fat-Soluble Carotenoids, retinoids, Tocopherols, Vitamin K & Coenzyme Q10 in Plasma-* Paul H. GAMACHE & Ian N. ACWORTH, *Applications Department, ESA, Inc.*
- 1167 *Lipoic Acid Analysis in Food Supplements by HPLC with Coulometric Array Detection,* AB.  
Oui *Rabovski, J. Cuomo & p.H. Gamache - Poster presented at Pittcon'99 (Orlando)*
- 1168 *Analysis of Vitamins A & D in Milk Using HPLC & Coulometric Array Detection,* Paul H. GAMACHE,  
Oui *Applications Department, ESA Inc., Poster presented at Pittcon'99 (Orlando).*
- 1202 *Coulometric Array HPLC Analysis of Lipid-Soluble Vitamins & Antioxidants by Paul GAMACHE,*  
Oui *Scott FREETO & Ian ACWORTH, American Clinical Laboratory, August 1999*
- 1514 *Quantification And Profiling Of Orange Juices And Orange Drinks Using Fast HPLC And Evaporative Light-Scattering Detection.* Lc Gc North America, 2002, Vol.jun, p.p. 32-33  
Non
- 1515 *Evaporative Light Scattering Detection Methodology for Carbohydrate Analysis By HPLC.* Cereal  
Non *Foods World, 2002, Vol.47, Num.1, p.p.17-27*
- 1516 *Hplc With Evaporative Light Scattering Detection as a Tool to Distinguish Asian Ginseng (Panax Ginseng) and North American Ginseng (Panax Quinquefolius),* *Journal of Liquid chromatography & Related Technologies, 2002, Vol.25, Num.1, p.p.17-27*  
Non
- 1529 *HPLC of Acarbose and its Metabolite on porous Graphitic Carbon Column,* *Jpurnal of Separation Science, 2002, Vol.25, Num.5-6, p.p.280-284*  
Non
